

SVA AUTUMN NEWSLETTER OCTOBER 2005

Where did Summer go? We were too busy to notice! With staff and volunteers on holiday, we have been few on the ground. The Summer holidays gave us no real break as we have been making preparations for this term's visits and other activities.

Regretfully, Sue has not been able to return after the holiday. It is, therefore, fortunate that we have had some good volunteer support.

Sarah, our 15-year old work experience placement worked hard under Jackie's supervision, completing the school letters sent out at the beginning of term.

Special thanks this month to Jackie Boyce our Schools Liaison Worker, who has not only coped with her own workload, but also given considerable help with promotions. A big thank you also to Jake and Hayley who have given so many of their evenings to enable us to keep ahead of correspondence.

Jake Durup has joined us as Voluntary Outreach Worker for Sussex. Jake will be contacting a different area each month and will liaise with Ron Smith on shared areas.

TRAINING SESSIONS

Ruth held two training sessions last term and we now have two more Occupational Therapists for Sussex, and eight volunteers. Two more sessions are planned on 17th of November in West Wittering.

TRELOAR

Following our meeting earlier in the year with Dr Jowett, 300 newsletters were sent out to ex-students and we are hoping to attract more young disabled speakers.

A CELEBRATION OF DISABILITY AWARENESS & VOLUNTEERING AT THE CHICHESTER FESTIVAL THEATRE, 17th OCTOBER 2005

Our chairman with (l-r) the Mayor and Mayoress of Bognor, Patrick Jefferies and the Mayoress of Bognor Regis.

Form an orderly queue!

Are we there yet?

Laura and Tommy
